

Austin Telco F.C.U. No Hassle Dealers List

These quality auto dealers participate with Austin Telco to provide consistent, no hassle pricing to all Telco members. To participate, please remember the four simple steps below:

- ✓ Bring your pre-approval certificate (if available) to the dealership.
- ✓ Make an appointment with the designated representative shown below. DO NOT deal with regular salespeople, as they are not authorized to provide credit union pricing.
- ✓ If you plan to “price shop”, save your LAST stop for one of the credit union dealers.
- ✓ MOST IMPORTANT – identify yourself as an Austin Telco member.
